Code of Ethics, Quality and Feedback Policy

Policy Promotion and Engagement

All staff working for eVolve your future Ltd are required to read our policy documents and sign to confirm that they have done so.

EYF policies are reviewed annually unless there is a legislative or ethical reason for change to policy during the year. All colleagues are provided with an update document detailing any changes that have occurred following the last review. Each review is dated and version controlled. These changes are discussed in Team meetings with all staff and the understanding of these updates is also confirmed by a signature sheet.

Policies are in place to ensure that the company and it's staff are compliant with statutory legislation, partner regulations and the company specific requirements.

All relevant Policies can be accessed from the eVolve your future website, found at:

www.evolveyourfuture.co.uk

Learners are made aware of the availability of these policies when they are signed up to our courses.
