

The course is designed to engage people from outside of the Construction Sector and to Introduce them to working in construction so they are employment and site ready.

Eligibility

18 year plus and must have a form of Photo ID to sit the CSCS test

In employment outside of construction OR unemployed

How to access the course

All training in the foreseeable future will be online via Microsoft Teams, however we do endeavour to open our centre to deliver the training in small groups where possible.

1. Complete the Expression of Interest online (EOI link at end of this page)
2. Contact will be made directly by one of our advisers to ensure the course is suitable and they are eligible
3. Attend the Induction
4. Complete start paperwork
5. Attend the 2 week course
6. Sit the CSCS test
7. Apply for the CSCS card

Training Programme consists of 5 days in total either face to face (via Teams) and online courses over 2 week period where they will gain knowledge and skills in the following areas & upon completion of the course they will be able to gain a CSCS card to work on a construction site
